NUMBER 148.

RUSSIANS BOMBARDING FORTS ON BOSPHORUS

RUSSIANS ARE AGAIN KNOCKING AT CONSTANTINOPLE'S BACK DOOR, WHILE ALLIES CONTINUE TO ATTACK DARDANELLES FORTS IN FRONT.

Complete Censorship Established on all Military News in Italy from March Thirty-first to July, Ordered by Royal Decree—General Von Kluck Wounded—Berlin Claims Russians Suffered Heavy Losses in Kranoopol District—Belief Grows in Newport News that Prinz Eitel Friedrich is Preparing to Leave Port and Will not Intern There—Time Limit May Expire in Forty-Eight Hours—American Ambassador at Constantinople Says, Turkish Grand Vizier Denies Disorders at Urumiah, Persia.

London, March 29.—Russia is again knocking at the back door of Constantinople by bombarding the city and the Turkish fortifications on the Bosphorus. The result of the bombardment is not known.

Complete Censorship Established Rome, March 29.—A complete censorship on the publication of military news, from March 31, to July, has been ordered by royal decree.

General Von Kluck Wounded Berlin, March 29.—General Von Kluck, who led the German dash on Paris, was slightly wounded yesterday by shrapnel while inspecting advanced positions of his army near Soissons. His condition is reported satisfactory.

Cruiser Will Not Intern Newport News, Va., March 29.—The general belief here is that the German cruiser Prinz Eitel Friedrich does not intend to intern here. It is believed that the time limit expires within forty-eight hours.

Claim Victory Over Russians Berlin, March 19.—The Germans have stormed Tauragan across the Russian frontier, taking three hundred Russians prisoners. The Russians suffered heavy losses in the Kranoopol district, including one thousand prisoners. One entire squadron of lancers was captured with their horses and five machine guns.

French Progress Claimed Paris, March 29.—An official statement says near Ypres yesterday, a French mine blew up a German observation post. At Espargnes, the Germans made a violent struggle to regain the trenches they lost Saturday. They regained a foothold at a few points, but the French made more progress.

British Steamer Sunk London, March 29.—A German submarine this morning sank the British steamer Aquila, off Bishop's Rock. The crew of twenty-three was saved.

Deny Disorder at Urumiah Washington, D. C., March 29.—The American ambassador at Constantinople cables that the Turkish grand vizier denied there has been any disorders at Urumiah, Persia. The Turkish war office gave the grand vizier this report.

Fierce Battle in Carpathians. London, March 29.—The battles for the Carpathian passes continue with extreme violence, this being the only region where for the moment fighting on a large scale is taking place. The Russians, who recently regained possession of Dukla pass, are pushing their way toward Bartfeld on the one side and Svidnik on the other, where, if they achieve their object, they will have in their possession the heads of the railroads running southward into Hungary.

The Russians also are carrying on offensive operations against Uzsok pass to the east, but at Takholka pass, still further to the east, they

New Orleans, La., March 29.—The weather forecast for Oklahoma for tonight is unsettled and warmer in the western portion; Tuesday probably rain and warmer in the eastern portion.

SINGLE FLOUR ORDER REQUIRED TWO SHIPS

Washington, March 27.—War's continued demand on American granaries was shown today in a commerce department report of a single sale of flour to continental Europe which required 512,000 bushels of wheat for its production and two steamers to transport it from New York. Its value was \$750,000 and it was milled by a middle western company. The buyers paid for the shipments at seaboard and assumed all transport risks. Wheat flour exports increased from \$3,603,828 in February, 1914, to \$8,962,160 last month.

HEAVY LOSS OF LIFE FEARED ON THE FALABA

CONFIRMATION RECEIVED IN LONDON OF SINKING OF BRITISH STEAMER BY GERMAN SUBMARINE.

London, March 29.—The sinking of the British steamer Falaba by a German submarine has been confirmed. She sank yesterday off the South Wales coast.

Eight are known to be dead, and it is feared that there was heavy loss of life. She carried 140 passengers and a crew of 120, and was bound for the African west coast.

Her officers say the submarine whistled three times as a signal to prepare the life boats, but before this could be done, a torpedo hit the vessel near the engine room. Three of the life boats were swamped and many persons were thrown into the sea.

Some of the survivors assert that the submarine meanwhile circled about offering no assistance. A fishing boat saved 140 of both passengers and crew. The captain of the vessel was picked up dead.

ROUGH CROWD IS CAUSING TROUBLE

CITIZENS OF LONE GROVE ARE COMPLAINING OF AN ELEMENT THAT IS CAUSING THEM CONSIDERABLE ANNOYANCE.

Some of the good citizens of Lone Grove have entered a protest with the county attorney about the rough element that are making headquarters in and around that village, who are the source of a great deal of annoyance.

There has been for some time a reign of petty thievery going on there, and it seems almost impossible to apprehend the thieves. There is also a class who are not adverse to disturbing public worship and as a whole the affair is getting to be a nuisance to the many good people living at or near Lone Grove, who are going to make a determined effort to rid themselves of this element.

The county attorney and other county officials have promised the good people of Lone Grove that this will be investigated at once, and a determined effort made to apprehend the perpetrators.

Suicide's Body Unclaimed

Drumright, Okla., March 28.—The body of E. E. Sheppard, who committed suicide in this city last Saturday evening by shooting himself through the head with a 38 caliber revolver, still remains unclaimed at the Marcus Undertaking parlors. Telegrams have been sent to over twenty different cities where it was believed he had relatives, but no word can be obtained. It has been learned since Sheppard's death that he was married and was the father of two children, his wife being divorced and formerly living at Taft, Colo.

ABANDON HOPE FOR THE MEN IN SUBMARINE

AMERICAN SUBMARINE LIES IN FIFTY FATHOMS OF WATER, AND RESCUERS HAVE GIVEN UP HOPE.

Washington, March 29.—The last hope has been abandoned by the rescuers for the lives of the crew of submarine F-4, which lies in fifty fathoms of water off Honolulu.

Found An Old Anchor.

Honolulu, March 29.—The submerged United States submarine F-4 is believed to have been located outside the harbor. Portions of the superstructure have been brought to the surface. The dredge California will shift moorings, tugs will criss-cross in all directions, and an attempt will be made to lift the submarine.

Three days' search for the lost submarine and the believed success in finding the craft resulted only in unfulfilled hopes.

Divers Agraz and Evans Sunday went down the two cables thought to have been attached to the submarine and found that the heavy body was an old anchor, probably that lost by the battleship Oregon.

Agraz, who went down the cable attached to the anchor, wore only a helmet.

Diver Evans, who descended along the second cable, reported that he found nothing at the bottom.

Agraz, whose descent to a depth of 215 feet is said by naval authorities to be a world's record, spent twenty-two minutes on the downward journey and nine and a half minutes in the ascent. The experience apparently caused him no distress.

The positive statement was made here yesterday by Naval Constructor Julius A. Furer that the four submarines of the Hawaiian division were examined as to their stability only a month ago. He said that all were found in good condition.

The water is so deep at the point where the F-4 is said to have disappeared that navy officers asserted today that without diving apparatus which would permit men to go down 300 feet the task of locating the craft and lifting it will present great mechanical difficulties.

BROUGHT SUIT AGAINST THE WRONG MAN

MISS TANZER, WHO BROUGHT SUIT AGAINST FORMER DISTRICT ATTORNEY, SAYS SHE WAS MISTAKEN.

New York, March 29.—The attorney for Miss Rae Tanzer, who sued James W. Osborne, former assistant district attorney, for fifty thousand dollars for alleged breach of promise, announced today that she was mistaken in her identification of him as the man who had promised to marry her.

MAN'S BODY FOUND IN RIVER.

Indications Are That He Was Killed in His Home.

Guthrie, Okla., March 28.—The body of Cornelius Voorhees, the old man who mysteriously disappeared from his home near Valley several weeks ago, was found in the river about fifteen miles from his home, with a bullet hole in the back of his head. Indications are that he was killed in his home and the body hauled to the river. His team was afterward left in a Cushing feed yard by a man who never returned for it.

WOMAN CONFESSES CRIME.

Killed Husband and Burned Body, Burying Bones in Post Holes.

Marlin, Tex., March 29.—Mrs. Kate Wilkenowski confessed today that she killed her husband, Edward, at their home here on the night of February 15, last, covered the body with straw, poured oil over it, then burned it and buried the bones in post holes.

The police this morning found what they believed to be human bones in the holes she indicated. She has been placed in jail at Waco for safe-keeping.

OBREGON WILL RETURN TO MEXICO CITY

DISPATCHES RECEIVED IN WASHINGTON INDICATE RETURN OF OBREGON WITH THE CARRANZA TROOPS.

Washington, D. C., March 29.—Dispatches to diplomats here today said it was understood in Mexico City that General Obregon with the Carranza troops is now returning to the capital and that Zapata forces were about to evacuate the capital.

No Fighting at Matamoros

Brownsville, Texas, March 29.—No fighting had occurred at Matamoros today, up to this afternoon. Dr. J. T. Hunter, an American physician on Carranza's medical staff, was expelled from Matamoros for removing his superior, Dr. Delavega, to Brownsville for medical treatment of a wound.

GREAT CROWD SPEND DAY AT COUNTRY CLUB

SOME OLD TIMERS AND MANY NOVICES CHASED THE GUTTA PERCHA AT DORNICK HILL ALL DAY YESTERDAY.

Yesterday was ideal, and a great crowd spent most of their time at Dornick Hill country club where many of the older players and a host of novices welded the sticks and chased the elusive ball over the extensive links.

Some very creditable scores were made by the regulars, just how good they do not care to reveal, lest it cause envy among other clubs over the state. The best novice score made on the grounds since the establishment of the club was made yesterday by J. F. Easley, editor of the Ardmoreite, who made the course, under close supervision, in 56, and came back to the club house amid the congratulations of all who witnessed the feat, which caused a notable expansion of the chest.

Governor Cruce was out with the crowd, but as he does not play on Sunday, he was not loath to give some of the novices the benefit of his experience in the way of verbal instructions. Work on the club house is progressing nicely and it will not be many days before it will be ready for the painters and decorators. Those who have visited the other country clubs in the state of which there are eight, say that when completed, the Dornick Hill club house will be the finest in Oklahoma. The tennis courts were popular yesterday, and several spirited matches were played by the members.

A Measuring Social.

The Carter Avenue Missionary society will give a measuring social at the home of C. T. Barringer Tuesday evening, March 30, beginning at 8 p. m. Refreshments will be served.

SEARCH FOR MEMBER OF STARR GANG

POSSES SEARCHING THE HILLS SOUTHEAST OF STROUD FOR MEMBERS OF GANG WHICH ESCAPED SATURDAY.

Stroud, Okla., March 29.—New posses started out today to search the hills southeast of here for the bandits who escaped from the bank robbery here Saturday.

State Offers Reward.

Oklahoma City, March 29.—Governor Williams, on his arrival last night from a rest on his farm at Durant, said that he would offer a reward of \$200 each for capture of the five Stroud bank robbers, who are still at large.

He expressed pleasure at the report that Henry Starr is in custody and said the reward of \$1,000 offered for the capture of Henry Starr will be paid to the youth who shot that robber, if his identity is established and his complicity in the robbery of the bank which gave rise to the offer be confirmed.

The five bank robbers are reported to have passed Kellyville before daylight Sunday morning, headed toward Sapulpa. Authorities at that city report that the bandits have not been seen.

CAMPAIGN MAY END IN BLAZE OF ORATORY

CANDIDATES ARE URGING THE IMPORTANCE OF EVERY MAN CASTING HIS BALLOT IN THE GENERAL ELECTION.

J. H. Carlock, secretary of the county election board, made a statement this morning that may be put into effect the latter part of the week, his suggestion being that on a certain night for speakers to hold meetings in every ward in the city to talk to the voters about the importance of going to the polls on election day and casting their ballot, as they did in the primary election.

The election is one week from tomorrow, and every man who went into the primary is honor bound to support the nominee, and if none neglects his duty the same number of votes cast in the primary will be cast in the general election. With one exception the number cast in the recent primary was the largest ever cast in the city. The election officials and the candidates, the defeated ones, as well as the successful, have a right to expect that every man who went to the primary will cast his ballot for the nominee on the morning of April 6.

L. W. Cruce stated this morning that when the full strength of the party is cast it makes the recall harder to put into effect. He recalled one election here in which over one thousand votes were cast in the primary and less than three hundred in the general election. He maintains that such practice is dangerous, and might lead to disaster in the future, unless the voters do their duty.

A Chance to Help

Any person who would like to contribute any canna bulbs to the persons who are working to beautify Central Park, may have an opportunity to do that much toward the work. Mrs. Julius Kahn will be glad to receive the bulbs and will see that they are properly planted in the park if you will be kind enough to get them to her. After all, the beauty of a city consists in the little things, and canna in Central Park will add wonderfully to the beauty of that green spot this summer.
